

## Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over 60 years combined experience with successfully designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are devoted to providing new design concepts and top quality in order to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They enjoy offering items which energize both their dealers and their partners and offer production gains to their customers.

The team at TREK likes handling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' needs and skills together with their comprehension of cleaning applications, together with owners' strong desire to significantly reduce cost through productivity gains.

The personnel at TREK and their dealer-partners are strongly devoted to having both technical support and parts accessible when it is needed. Their high service devotion is amongst the core values in their customer service. Keeping their clients' cleaning machinery running and ready day after day is top priority. The company's top of the line technology delivers dependable equipment that eventually lessens your cost of cleaning. The price, the service and the product all work as one to make them an industry leader.
